

# PLAN YOUR JOURNEY

Plan your adventure to the Samboja Lodge today and prepare for an incredible experience in the heart of a lush jungle, unlike any other!

We offer the best in ecotourism, from experiences that give you an inside look at our orangutan and sun bear care activities to thrilling, outdoor adventures.

Check out some of our offerings:

## ORANGUTAN ISLANDS

Visit the man-made islands where unreleasable orangutans live comfortably in a semi-wild environment. Join our team to learn more about Asia's only great ape!

## SUN BEAR SANCTUARY

Here you will discover how the smallest bear in the world plays an important role in the environment as you observe them directly with us at one of the world's largest sun bear sanctuaries.

## HOW TO GET HERE

There are daily flights from major airports, including Jakarta and Singapore, to Balikpapan, which is the closest airport to the Samboja Lodge in East Kalimantan. Upon request, we can arrange transportation to and from the airport!

## BOOK AHEAD

It is recommended that you book all activities prior to your arrival as many activities have limited space and some are dependent on favourable weather conditions.

# UNIQUE EXPERIENCES

Upon arriving at the Samboja Lodge, you are entering far more than just an accommodation in an exquisite location: You are accessing an orangutan rehabilitation centre that is at the forefront of orangutan

From the Lodge, you will be perfectly situated to set out and explore the many exciting adventures on your doorstep, accompanied by our Indonesian and English-speaking conservation guides. Options range from visiting our orangutan sanctuary islands and journeying along the Black River by boat to hiking jungle trails and climbing canopy towers in search of exotic wildlife.

## ORANGUTAN ISLANDS

Visit the man-made islands where unreleasable orangutans live comfortably in a semi-wild environment. Join our team to learn more about Asia's only great ape!

## SUN BEAR SANCTUARY

Here you will discover how the smallest bear in the world plays an important role in the environment as you observe them directly with us at one of the world's largest sun bear sanctuaries.

## BLACK RIVER

Take an early morning or a late afternoon boat ride along the Sungai Hitam, also known as the Black River, in search of the Endangered proboscis monkey and other wildlife. A local fisherman will guide you on this tidal river.

## CANOPY WALK

At Bukit Bangkirai you will feel like a proper jungle trekker as you navigate a series of suspension bridges and walking trails while in search of native wildlife.
